Saluda to Do Her Part.
Saluda wants a railroad bad enough and Editor Aull may rest assured she will do what she can to help Newberry to pull the proposed route this way. It is a route that would necessarily open up a fine territory and pay handsomely. Saluda is willing to do her part.—Saluda Advocate, 18th.

Another Good Bill.
Mr. H. H. Evans has introduced a bill "to authorize the utilization of the county jail in the promotion of the health of a county or community." It is a good bill. Certainly the jail cannot be used to better purpose. There is enough scavenger work in every town and village, and enough drainage work in every country district, to keep all their criminals busily employed the year round. Put them at it, and keep them at it.—News and Courier, 19th.

About Catarrh.
It is caused by a cold or succession of colds, combined with impure blood. Its symptoms are pain in the head, discharge from the nose, ringing noises in the ears. It is cured by Hood's Sarsaparilla which purifies and enriches the blood, soothes and rebuilds the tissues and relieves all the disagreeable sensations.

Hood's PILLS cure all liver ills. Mailed for 25c. by C. I. Hood & Co., Lowell, Mass.

Our Sheriff Bagged 'Em.
Saluda County has had two violators of the law at large for about two years, and a few weeks ago while Sheriff Buford was over there he got the warrants and in less than two weeks he had the negroes. He caught one in Laurens County and the other in the upper part of this county.

One is charged with shooting another man and the other is charged with burning.

Deputy Sheriff C. C. Whittle came over and carried the negroes to Saluda yesterday.

Sheriff Buford brings game every time he goes.

Stop that Hack!

Before it is too late. The time to tackle a cold is when it is just beginning. A bottle of Robertson's Compound Cough Syrup if taken at the right time will save you a severe illness. It gives instant relief from that disagreeable rawness of the throat that comes with a cold, and is in no way unpleasant to take. Its price is only 25 cents a bottle, and is manufactured and sold at

Burglars visited many places in the city Saturday night and as a result of the detective work of Policeman Franklin and Chief Hunter, some of them are looking through the bars and people are calling at the council chambers identifying their goods.

Proph Irvin and Henry Scott, colored, got into a difficulty Sunday at the depot in Helena and after passing a few shots Irvin pulled his pistol and shot once at Scott, but missed his aim.

Intendant Dickert had them pulled and fined one \$7.50 and the other \$6.00. The fines were paid.

How to Look Good.
Good looks are really more than skin deep, depending entirely on a healthy condition of all the vital organs. If the liver is inactive, you have a bilious look; if your stomach is disordered, you have a dyspeptic look; if your kidneys are affected, you have a pinched look. Secure good health, and you will surely have good looks. "Electric Bitter" is a good Alternative and Tonic. Acts directly on the stomach, liver and kidneys, purifies the blood, cures pimples, blotches and boils, and gives a good complexion. Every bottle guaranteed. Sold at Robertson & Gilder's and Pelham's Drug Store. 50 cents per bottle.

SYSTEMATIC ROBBERY.

The Points of Way Citizens Met by the Midnight Provoker—Good Work of the Police Department.

For the past ten days or two weeks there seems to have been a systematic robbery going on in this city.

The premises of many citizens have been visited by burglars and as a result many things are missing.

Among those who have lost more or less are the following: The Methodist parsonage, A. C. Jones, Dr. Thompson, Dr. Robertson, R. H. Welch, Dr. J. H. McIntosh, W. H. Hunt, Wm. Johnson, Dr. Jones, Mrs. Janie Keegan, M. Werts, W. H. Wallace, R. C. Perry and Mrs. Ida Hunter, and there may be others as many things have not been identified.

The articles that the police have succeeded in finding consists of chairs, bicycles, wash bowls, wash pots, bed clothes, new pants, collars, baskets, clothing, blankets and one colts' pistol and belt, etc., etc.

The police force have been on the lookout for several days for a clue and on Tuesday night Policeman Franklin caught a negro in the act of stealing wood from Mr. W. H. Blais' shoe shop and putting it into the window to the negro house in Mr. J. W. White's yard.

The house was occupied by two negro women, Dora Hayes and Florence Brown. On Wednesday these women were arrested and on searching the house the above mentioned articles were found. Besides the two women mentioned a negro man, Lewis Langford alias Lewis Washington has been arrested. There are several others implicated in the robberies whom Policeman Franklin and Constable Mayes hope to get soon.

The excellent work by the police force, especially Mr. Franklin, is being commented on all sides and the praise is being deservedly placed.

Since writing the above Constable Mayes has arrested Ben Gray, who has also been implicated by one of the women under arrest.

He is getting up an article on "Tobacco Culture in South Carolina," which will be of special interest to many of our citizens, as the subject is being discussed here at this time. The article will contain much valuable information concerning and by way of comparison of the climate required for such culture in South and North Carolina.

OUR PROSPERITY BUDGET

ALL THE NEWS OF A LIVE AND PROGRESSIVE TOWN.

We extend congratulations Mr. Editor. Now if you would just get old man Kay and Chips to join the thing would be nice. Well, I believe that Chips is a candidate now for an office, but old man Kay as usual got left.

Newberry may come when old man Kay will go to Congress or some where else—mostly somewhere else.

The present schedule on the C. N. & L. R. R. comes in for its share of grumbling. We heard one of our busy preachers grumbling over the present one and saying "I don't travel much, but when he does he wants to use the evening train for Columbia, and you know, when the preachers 'kick' there must be something wrong, but we are satisfied and are taking the thing easy. So here goes and we say 'let 'er go gallop'."

Dr. G. G. Felt is in town looking around with a view to locating Dr. Corbett. It is known to many of the readers of The Herald and News. Dr. Corbett will in all probability go into the drug business and will do a general practice also. Of this we will say more in our next letter.

Mr. Wesley Dinkie is quite sick we learn and will probably have an operation performed for the gravel in the near future. We hope to report him better in our next letter.

We were somewhat taken aback one day this week when Mr. G. M. Able came into our place of business with a very large and fine pumpkin, and oh my how our mouth did water as we in anticipation saw "pumpkin custard" in the very near future and were just getting in shape to tender our thanks for the same when all our anticipations were "knocked out" by his saying this is for The Herald and News. Now what The Herald and News wants with "pumpkins" I can't imagine unless the editor is going to give us scribbles a big time of it by and by, and will see if I can't furnish him with "pumpkin pie."

Yes, if there is any one kind of pie that would make a man jump sky high it would be a first class, well browned "pumpkin pie."

Mr. J. E. Norment, representative of the News and Courier, is spending a few days in Newberry with friends. He is getting up an article on "Tobacco Culture in South Carolina," which will be of special interest to many of our citizens, as the subject is being discussed here at this time. The article will contain much valuable information concerning and by way of comparison of the climate required for such culture in South and North Carolina.

Uncle Andrew Kinard who has been working at the Clinton Orphanage for some days, came down Saturday to see the home folks. He returned on Monday.

Mrs. Barre and daughter, Miss Gus, of the Clinton Orphanage, were a visit to relatives in town and were the guests of Mr. and Mrs. L. T. Barre.

Mrs. Helen Hawkins has been visiting in town and was the guest of Mr. and Mrs. L. T. Barre.

Against the wedding bells have rung again. This time it is the marriage of Mr. Oscar Lovelace and Miss Mamie Lester. They were married at St. Mary's parsonage on the 10th, by Rev. J. S. Burdick.

The Central Luther League will meet at St. Phillip's on Saturday January 21. Grace League will be represented by the following delegates: Misses Maria Bobb, Gertrude Simpson, Margie Russell, Kate Wheeler and Mr. G. M. S. Burdick.

Mr. J. E. Norment, you certainly got your money's worth of the trouble last week. You made us say that we would have a divine reading. Now this is something new in reading, what we said was that there would be a dime reading and we say "so still, and give us the program here with."

The following is the programme of the dime reading, February 3, 1899:

Music—Miss Lillian Luther.
Music—Miss Erin Kohn.
Recitation—Miss Maggie Barre.
Song—Mesdames Mosley and Wyche.
Recitation—Miss Lucy Fellers.

Music—Miss Maggie Russell.
Reading—Miss Marie Bobb.
Humorous song—Messrs. E. N. and E. B. Kibler, W. B. W. C. T. Wyche.
Tableau—Women's rights.
Tableau—Maid one. Maid won. Made one.

Music.
The music will be furnished by Messrs. R. H. Russell, W. H. Gilston, R. E. Sheely and J. S. Wheeler. It may be found necessary to make some changes or additions of, which due notice will be given.

Again we take pleasure in chronicling the happy event where two hearts are made to beat as one. This time it was at the parsonage and Dr. Hallman was the officiating clergyman, and Mr. L. T. Barre and Miss Carrie Sheely were the contracting parties, and Wednesday, January 18, 1899, the

day. We wish both young people a pleasant and prosperous voyage through life.

Riv. W. H. Ariel preached for Dr. Hallman Sunday night. He and the Dr. are old friends.

We are pained to chronicle the death of Mr. Geo. A. Cook, of Colony. He had been sick with pneumonia for some weeks and he had to succumb to the inevitable. He died last Saturday and was laid to rest in Prosperity Cemetery on Sunday. The funeral was preached at Colony. There were many sorrowing relatives and friends who attended his burial. Peace to him.

January 19, 1899. KAY.

\$75 GIVEN AWAY.

A ROCK HILL BUGGY ABSOLUTELY FREE TO OUR SUBSCRIBERS—THREE OTHER PRIZES.

The Herald and News has always been adverse to combination offers. In fact we have never done it and do not intend to.

We have, however, made an arrangement with the Rock Hill Buggy Company by which we can offer one of their \$55 buggies to our subscribers absolutely free.

We want every subscriber on our books and every new subscriber to have an opportunity to gain this capital prize.

The buggy will be on exhibition at the store of Mr. Edw. R. Hipp as soon as it arrives from Rock Hill.

The conditions on which this buggy will be given are: We propose to secure two large pumpkins and every person who pays one year's subscription to The Herald and News between now and the first day of April will be given one guess at the number of seeds in the two pumpkins.

The one who comes nearest to the number of seeds in the two pumpkins will be given the buggy. Each guess to be written in ink on the back of an envelope and the name of the person written on a slip of paper and put in the envelope, the envelope sealed and deposited in a ballot box, which is to be locked and kept locked until the award is made.

Every person who pays as much as \$1.50, one year's subscription, to be entitled to one guess. Those who are in arrears and pay back dues to have one guess for each \$1.50 they pay. If you cannot pay back dues you can give us your note for back dues and have one guess for this year which you pay, all back dues must be arranged in order to entitle you to a guess. Those who have paid in advance can have a guess by paying for another year for which they will be given credit. We have secured pumpkins because it will give our out of the county subscribers an opportunity to guess for they will know as much about the number of seed in the pumpkins as those who see them.

We will also give as a second prize a set of buggy harness valued at \$12.50 and a third prize of a barrel of flour, and a fourth prize of one year's subscription to The Herald and News.

If one man has more than one guess he can only secure one prize even though his guesses were nearest the correct number of seed in the two pumpkins.

The buggy and the harness will be put on exhibition at Edw. R. Hipp's store and the pumpkins will be there also if you desire to see them.

This is an opportunity you will not often have to secure a nice buggy and at the same time get a good newspaper at the regular price.

Call at the office and pay your subscription and register your vote. Those who find it inconvenient to call can send the subscription and their guesses and we will see that they are voted.

After the guesses are closed a committee of disinterested persons will be appointed and asked to open the pumpkins and count the seed and award the prizes.

The Excelsior Officers.

At a meeting of the Excelsior Fire Company Monday night, held in their newly furnished hall, the following officers were elected for the year—the election having not been completed at last meeting.

Chairman—Rev. G. A. Wright.
Attorney—H. G. S. S. Mower.
Surgeon—Dr. W. E. Houseal.
